

## **KENT FARM SUPPLIES SALES REPRESENTATIVE JOB POSTING**

We are looking for an individual for Equipment Sales and Customer Service Representative.

This person needs to have a good understanding of both agricultural and construction industries. You would be working closely with other staff so communication is key in our fast-paced environment. You need to have a willingness to keep on top of changes in equipment technology, and be comfortable with computer software systems. You will need to be organized and have initiative. A clean driving record is necessary and AZ licence is beneficial. This is a full-time position including working some Saturdays, and some overtime hours. You would be responsible for taking inquiries for sales on equipment, giving quotes, discussing each piece in detail, completing deals and setting up rental contracts. As well as working the floor of our store helping in the sales of parts. Keeping track of inventory and organizing of equipment incoming and outgoing in our yard will be an ongoing part of the job.

Benefit package would be offered after a trial period, wage range is dependant on experience approximately \$18.00-25.00 per hour starting. Position is available immediately to qualified applicant.
